Class of 2020!!!!

We will be posting and sharing Senior Highlights to honor our Graduating Seniors and their accomplishments!

Our next highlight goes out to our re-engagement student Berenice Mendoza! Berenice came to HLHS in 2018 from North Carolina. She immediately became a part of our family. Her attitude towards her education was amazing. She began her online classes and within a few weeks and completed two classes. Her hard work and perseverance has not stopped or gone unnoticed. Keep up the hard work Berenice! Estamos orgullosos de ti -Monje

HEALTH LEADERSHIP HIGH SCHOOL

Class of 2020

Meet Berenice Mendoza!

Who has most supported you in your life?
My family has supported me most in my life. Even though I dropped out of school they encouraged me to get back in and continue to help me stay in school by helping with my projects.

What is your favorite memory from HLHS?
My favorite memory is watching the sunsets with peers and teachers. Also, allowing me the opportunity to graduate.

What are your plans after high school?
I plan to enroll in Cosmetology school to get my certificate/license as a barber or make up artist or both.

DON'T BELIEVE WHAT YOU SEE ON TV. YOU HAVE TO CREATE YOUR OWN HIGH SCHOOL EXPERIENCE.

FROM A SENIOR TO THE FRESHMAN

"I truly admired her outlook on education, family, and friends. Berenice is an extraordinary person with extreme drive to succeed in anything she undertakes. I enjoyed watching her use her creativity to create some outstanding projects. I look forward to seeing all of her successes. - Mrs. Paiz"

"When Berenice joined our HLHS family, she came in so quiet and shy. She got comfortable and just BLOOMED with confidence! I am sad that I didn't get to share her Senior year with her, but I was honored to get to know her as my student and her in our projects! Best. I am so proud of you and your accomplishments! You are so smart, creative, and have so many great ideas to share! Keep up your hard work and ALWAYS believe in yourself! Congratulations! Love ya - Ms. Valenzuela (Ms. V)"

Berenice's humor is like no other, she always seems to find a way to make someone smile. Her motivation and love for family is infectious and helps get her through the roughest times. I loved seeing her curiosity grow and her ability to remain focused regardless of what she faced!
- Monje

Berenice was one of the first students I met at HLHS and she really taught me so much about what it means to be a good teacher through her candid communication and outstanding work. She walks through life with such passion and love and cares for those close to her in a deep way. It was an honor getting to be her captive teacher her final year here at Health and I look forward to seeing her continue to flourish wherever she goes.
