

**Health Leadership High School**  
**Admissions Policy**

Health Leadership High School (HLHS) is a public school and as such will comply with all applicable laws regarding admission to a public school in New Mexico. All students who meet the State of New Mexico's eligibility requirements for attending a public school may apply for admission to HLHS. The school will not discriminate among applicants on the basis age, disability, gender, gender identity, ethnic or national origin, religion, sexual orientation, or academic standing. HLHS is a New Mexico non-sectarian, non-home school based public school that does not charge tuition or have admission requirements. There are no criteria for admission.

Pursuant to the Charter Schools Act at NMSA §22-8b-4.1(B) enrollment preference shall be given to:

- (1) students who have been admitted to the charter school through an appropriate admission process and remain in attendance through subsequent grades; and
- (2) siblings of students already admitted to or attending the same charter school.

Opportunities to enroll will be advertised on the school's website and through venues such as middle schools, youth development organizations, health care clinics, neighborhood organizations that provide services to youth, community centers and student academic associations. Students who are homeless and are provided protections under federal law shall be required to follow appropriate enrollment procedures as outlined in federal law.

With the exception of enrollment preferences required by law HLHS shall accept students on a first come first served basis. Expressed interest in enrollment will be accepted on an ongoing basis. As it is received, the registrar or designee will record all expressions of interest. In the event more expressions of interest are received than there are available openings in the school, admission shall be on the basis of lottery.

After student openings are filled, all others will be placed on a waitlist. If a student expresses interest in enrolling after the lottery has been drawn the student's name will be added to the bottom of the waitlist.

All students will be notified should they be drawn for enrollment via a letter sent US mail or delivered in person. Students must acknowledge in writing their intent to enroll in HLHS and complete all registration documents in order to be enrolled.
