We are pleased that you have selected HLHS for your student's education and to be a part of an enriched learning experience that will support the successful transition into college and careers. As a school, we value and honor parent and family involvement, and we look forward to working with you throughout the school year. HLHS will now be providing bus transportation at specific stops. Students should check in with their teachers for unique supplies, but HLHS can provide many basic school supplies and backpacks as needed. Please reach out to your advisor to get these materials. We are eager to begin the new school year.
